

# FEE FOR SERVICE - PRICING SCHEDULE

As of 12 July 2023

*Australian Migrant Resource Centre provides home care services to eligible elderly people from new and establishing communities through referrals from My Aged Care, families, communities and other services. The AMRC Home Care assists elderly people from new and emerging communities with their daily life activities. We are specialised in providing culturally competent services to diverse communities. We deliver services that are respectful of, and responsive to your religious practices and cultural and linguistic needs, with our workers speaking over 52 languages. The AMRC Home Care provides you support with your non-medical personal care, home care and assists you to participate more actively in social and community activities. We partner with you in addressing your care needs, and in assisting you to design your individualised care plan enabling you to maintain a healthy, active and independent lifestyle, while you are in the comforts of your own home.*
